Commissioner for Patents

The reply filed 6/2/06 is not fully responsive to the Office communication mailed 4/27/06 for the reason(s) set forth below or on the attached Notice To Comply With The Sequence Rules or CRF Diskette Problem Report.

Regarding applicants comments, the specification of the instant application has not been amended, therefore page 25, line 17 still discloses a sequence for which no sequence listing has been filed. In addition, the paper copy of the sequence listing needs to list the application number of the instant application and list 08/937276 under the priority section. If applicant desires to use the CRF from 08/937276, then a specific statement requesting said use is required which also identifies the particular CRF to be used (since multiple CRFs were filed in said application) (see MPEP section 2422.06).

Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH** or **THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
